

***Access Indiana Information Network***  
***Electronic On-line Service Authorization and Rate Request***

**Date Proposed:** May 28, 1998  
**Request Number:** 1998-2  
**Rate Period:** Indefinite

**Summary:**

Consistent with the Indiana statutes governing access to public records, enhanced electronic access, and the Indiana Intelenet Commission; the State of Indiana Broad Agency Announcement 95-39; the Network Manager Proposal of Indian@ Interactive, Inc., and the contract dated August 17, 1995, with any amendments thereto, between the Indiana Intelenet Commission and Indian@ Interactive, Inc.; Indian@ Interactive, Inc. being authorized as Network Manager for the Access Indiana Information Network (AIIN) requests and recommends that the Enhanced Data Access Review Committee of the Indiana Intelenet Commission (EDARC), by and through its authorized officer or agent, approve and authorize the Network Manager to create, implement and offer to the public the AIIN services proposed in this document. In addition, the Network Manager also requests and recommends that EDARC approve the interactive on-line enhanced access fees per service offered as detailed in this document. Such funds collected for AIIN services by the Network Manager will be used in accordance with the contract mentioned above. It is understood by all parties that the rates requested in this document per service are the maximum allowed and will be published in the AIIN fee schedule and Service Agreements. The Network Manager reserves the right at its own expense to offer any and all AIIN services at any rate less than the maximum amount approved in this and any future rate requests.

**Service Request 55:**                    Approval of New Agency Agreements

In accordance with the authorities cited above, the Network Manager requests and recommends that information developed by AIIN for online access from the following agencies be made available for search and download through AIIN at **no fee, unless otherwise specifically approved in a separate Service Request**. Each of these agencies has returned a signed copy of the Standard Interagency Agreement. Each will be required to sign a final copy of the Standard Interagency Agreement. The agencies are:

1. Children's Health Insurance Program

**Service Request 56:**

Enhanced Access to Secretary of State Business Entity and UCC data and online filing

In accordance with the authorities cited above, the Network Manager requests and recommends that **Enhanced Access to Secretary of State Business Entity and UCC data and online filing** be made available by the Network at an additional charge. AIIN has developed and will provide a process through an interactive screen or screens that interfaces with the SOS's business entity and UCC databases, enabling users to (a) search through these two databases and retrieve record entries, (b) to retrieve images of all UCC record face pages, (c) to file all UCC-1 and UCC-3 forms and business entity biennial reports, and (d) to print Certificates of Existence, all through the Internet, online. This request complies with the Intelnet Commission's Enhanced Data Access Review Committee's Policy Guideline 96-2, paragraph 2, services for which a fee is already being charged by the state. The AIIN fee per registration is recommended to be in accordance with the schedules attached to this request, in addition to the statutory charges and the SOS's enhanced access fees. AIIN revenue from this service will be used for the general operation and development of the Network.

**Service Request 57:**

Enhanced Access to Secretary of State Business Entity and UCC bulk data

In accordance with the authorities cited above, the Network Manager requests and recommends that **Enhanced Access to Secretary of State Business Entity and UCC bulk data** be made available by the Network at an additional charge. AIIN has developed and will provide a process through which users may obtain bulk downloads of an entire database or periodic updates of all record additions and deletions to such database, electronically. This request complies with the Intelnet Commission's Enhanced Data Access Review Committee's Policy Guideline 96-2, paragraph 2, services for which a fee is already being charged by the state (for business entity data), and 96-2, paragraph 3, a new service which has not previously existed (for UCC data). The AIIN fee for each download or update is recommended to be in accordance with the schedules attached to this request, in addition to the SOS's fees for such services. AIIN revenue from this service will be used for the general operation and development of the Network.
